You may now open the Downloader app. Some prompts will be displayed when you run it for the first time. Dismiss them by choosing the appropriate options.

When the following screen of the app appears, click the textbox highlighted in the image below.

10. Now, simply type in the following 6 digit code on this popup window with the onscreen keyboard:

Chill TV (New Service Only) 758323 if it doesn't work please use backup 871805
